Area Overview

Cape Girardeau is one of those rare U.S. treasures that combine the spoils of a big city with the relaxing sensibility of small-town America. While such a description might sound confusing, consider this: Cape Girardeau has a Starbucks and a thriving town square. It has several corporate headquarters, but also a preserved historic district. In a town as wonderfully diverse as Cape Girardeau, it is fitting that Drury would set up multiple locations within.

Before you set off to experience Cape's historic downtown, we recommend you feast on an equally down-home breakfast. Drury's free Hot Breakfast has everything you need to get your day going. With Belgian waffles, biscuits and gravy, scrambled eggs and more, our breakfast rivals those cooked in the country's best All-American diners.
