## Area Overview

Don't be fooled by the stereotypical connotations of the word "Kansas" symbolizing "flat" or "empty space". The greater Kansas City area is a metropolis full of excellent restaurants, stores and barbeque pit stops. Sure it might have started with a plain here, a little bit of flat land there, and some dirt—but it has since become one of America's finest cities. We at Drury acknowledged this truth and thus have packed the greater Kansas City area with our hotels.

We understand that you may want to see the city first, but know that Drury will be waiting for you when you're finished. Whether it's hot food and cold beverages at the 5:30 Kickback® you desire after a jam-packed Chiefs game, or some popcorn to pep you up after shopping at Country Club Plaza, we've got you covered.
