Area Overview

Your eyes squint for a second, you pinch yourself and then you realize... you just saw George Bush Sr. in an Astros cap, gallivanting amidst a throng of oil tycoons. That's right, you're in the Houston suburb of Sugar Land and that ain't half bad.

What may be surprising, however, is that Drury's free breakfast ain't half bad either. Our free HOT! QUIKSTART breakfast is hearty as the Sugar Land air and includes Belgian waffles, scrambled eggs, sausage and many more delicious items. Thoroughly entrenched in the spirit of "free", the Sugar Land Drury Inn & Suites also provides free wireless Internet, free long distance calling, free popcorn and soda in the lobby and the 5:30 Kickback® with free hot food & cold beverages. But as fun as it is to spend time at the hotel, we recommend you also visit some of the area's excellent attractions.
